

International Ordering Procedure

If you would like to order from Imaging Spectrum and you are outside of the US, please follow these steps:

1. **Select Products** you wish to purchase at www.imagingspectrum.com.
 2. **Calculate the total weight** of the products you wish to purchase using the information online. You will need this for the freight forwarding company you choose to use.
 3. **Contact** a freight forwarding company in the US, such as: www.schenker.com or www.lynden.com. In addition, there are many other freight forwarders out there.
 4. **Wire** the total amount plus \$20 dollars to our bank (see below for bank details).
 5. **Email or Call** Imaging Spectrum with your order and include your shipping instructions, we will create a sales order, and contact you once we have received the wire transfer.
- **There is no warranty available for products shipped internationally.**
 - **We provide no technical service for international customers.**
 - **See wire information below:**
